

Dear Valued Customers,

We would like to take this opportunity to thank you for your continued support and trust in our services. It is always our priority to provide the highest standard of care and comfort for all animals staying with us.

Due to the ongoing increase in operational costs, including staffing, supplies, and facility maintenance, we will be implementing a **price adjustment across our services from 1st April 2026**.

This change allows us to continue maintaining the quality of care, safety standards, and facilities that you and your pets expect when staying with us. We remain committed to providing a safe, clean, and enjoyable environment for every animal in our care.

Any bookings scheduled prior to 1st April 2026 will honour the current pricing, with the updated rates applying to new bookings and services scheduled to take place on or after this date onward.

An updated pricing list follows this letter, and will be updated on our website with the change.

If you have any questions, please do not hesitate to contact our team.

We truly appreciate your understanding and ongoing support and look forward to continuing to care for your pets.

Kind regards,
Fiona & The Team at PAWSS
